Sweet Sounds Of Success Old Hammondtown Band Is Golden

By Dionne F. Richmond

On the long, sleepy bus ride to Foxboro at 5:30 in the morning, 40 band members envisioned winning a gold medal for their school. As they warmed up for practice at the Foxboro High School, what they knew deep down in their hearts was confirmed. What they heard was music to their ears - Conductor Stanley Ellis told them they were going to get a gold medal if they kept on playing that well. They believed him, and so did the judges during the competition.

This year marks the fourth year the Old Hammondtown Band has won a gold medal (two silver medals were also won over the past six years) in the Massachusetts Instrumental Conductors Association (MICA) competition.

People from all over the state have heard of the Old Hammondtown Band and the "Little Jazz Band in Mattapoisett," Mr. Ellis said. "High Schools have asked us if we are from a special music school," he said. "Kids are known throughout the state. That says something about the town itself."

Mr. Stanley credits the combination of parents, teachers, the principal and students believing in the music program. "The teachers believe in the program, they allow me to do what I do," he said. Many parents encourage their children to play an instrument starting in the third grade. The PTA also funds their participation in competitions.

"You should see the pride they have in winning the gold medal, they want to play better, and more," he said. Even though the students don't get graded for being in the band, the competition is one way to measure their performance. They don't compete against other bands, but against rigid standards. The 40 piece band performed three selections and were judged by Rick Blatti from Ohio State University, Richard Castiglione from James Madison University and William Elwell, Director of Music (retired) in Portsmouth, New Hampshire. Mr. Elwell, who gave a music clinic after their performance, said the band was in the top 10 percent in the New England region. "Mr. Elwell couldn't believe the amount of parents that were there," said Mr. Ellis. "They thanked me, and I thanked them."

On the ride home, the students were wide awake. Many parents traveled with them on the bus or drove up themselves.

Sixth grader Raymond Jarvis who plays the

saxophone said he felt "fantastic" after the competition. "We practiced a lot," he added. Anne Johnson, flutist, said she felt really proud because they were an elementary band and there were a lot of high school bands at the competition.

Joshua Richard, also a sixth grader and a trumpet player, said "I felt very proud of myself and everybody because we were one of the youngest bands there."

Some members said they were surprised they won the gold medal. "I felt surprised, I didn't think we'd get a gold," said sixth grader Sandra Leahy. Evan Grondski, another sixth grader said he agreed. "It sounded like the high school bands were better than us," he said.

Christie Jones, clarinet player, said she credited their instructor for a winning performance. "I think he's a very good instructor. It was partly how he instructed that we won the gold," she said. "I felt as though we deserved the gold."

Elizabeth Morey, sixth grader, also credited their performance to their conductor and themselves. "It wasn't just him, it was everybody," she said.

Many of the students sacrificed a lot of their

time to practice for the band. "I was happy, it was worth it. We worked real hard. I was surprised," said sixth grader Sarah Cucinotta. Katelyn Anthony, who plays the saxophone, said she felt proud after winning. "I think we deserved it, we practiced, even with braces, it really hurt. Overall we did really well," she said.

Sixth grader Rachel McMullen, flutist, said she was happy and surprised at the same time. Brendan VanVoriss agreed, "I felt surprised at how we played," he said.

Seamus LaValley, also a sixth grade flutist, said he was speechless when they won the gold medal. "This is the second year I've been in the band-we won two gold medals the years that I'm here. It was really cool. Mr. Ellis demands the best, he expects nothing less. It was well worth it," he said.

Selectmen approved the minutes of the Board of Selectmen meeting held on Tuesday, March 26 and the minutes of the meeting of the Board of Selectmen held on Friday, March 29, 1996.

Selectman signed licenses, permits and reviewed incoming correspondence for the week. Selectman Bernier noted a meeting is planned with Trust For Public Land, and Representatives from the Massachusetts Environmental Affairs on Thursday, April 11 to take action to finalize options on obtaining the Nunes Property.

Ms. Adams noted the Town Hall would be closed on Monday, April 15 in observance of Patriots Day. She also said the town is seeking applications to fill a vacancy on the Conservation Commission created by the resignation of Ronald Scott. Applications will be received until April 26th.

The town is also seeking to fill a vacancy of the Old Colony Regional District School Committee as Mattapoisett's representative. Letters of application must be received on or before Thursday, April 25th

Other incoming correspondence included:

- A letter from Lawrence DiCara with regard to the town's vote at the Special Town Meeting not to exercise its right, under M.G.L. C61B, to match the offer for the purchases of the Nunes Property.

- Thomas P. Crotty represented Fairhaven as they negotiate with NETCO for sewerage sludge processing. Mr. Crotty was seeking Mattapoisett's consent to continue to represent the Town of Fairhaven with regard to negotiation and drafting of the Lease Agreement. Selectmen unanimously approved this request.

- Lynn M. Sylvia submitted a letter requesting North Street waiver status as well as status pertaining to re-engineering of the road abutting her property. She also requested that with the installation of the new Selectman Michele Bernier, the Board reconsider the project as presently proposed and that alternatives be considered regarding the repaving of North Street. Selectman Bernier said she would like to see what the state comes back with. She said she would be happy to entertain other suggestions if the state doesn't agree to exactly what was handed to them.

- Gerard Charest, Project Development Director, Tibbetts Engineering, submitted a letter with regard to the North Street Reconstruction project. In his letter he states that the Mass Highway will be requiring that the newly adopted standards be met. He also suggested that before the Board proceed any further, a meeting should be scheduled with Mr. McCourt, at the District 5 Office, in order to obtain official direction from that agency. "Based on previous correspondence, you are aware that design standards have change and in fact have become more stringent. It has also been brought to our attention that as a matter of practice the M.H.D. will be requiring that the newly adopted standards be met. It also appears that the typical cross section agreed to at the public hearing may no longer be valid and may require an increase in roadway width."

- Andrew Bobola, Building Inspector, submitted a memo with regard to placement of a sign on Center School property. Center School Principal Jack Murphy inquired as to The possibility of constructing a three foot tall by four foot wide sign on school property that would be located near the old flagpole on school property. The sign would also have a picture of Center School with the wording "Center School, a great place to learn and grow."

THE LINDSEY FUND

Running The Boston Marathon in 1995 to help raise funds for the Lindsey Steele Fund was an experience for me I will always remember but, most of all, I would like to send a "heartfelt" thank-you to all who contributed - from the woman in New Bedford who donated \$1.00 in memory of her husband, to the Capeway Lounge in Fairhaven who raised over \$4,000 for the Lindsey Steele Fund.

I have recently closed out the account and am happy to report over \$17,000 was raised for this worthwhile cause.

In coming together as a community for a combined effort, we were able to help ease some of the Steeles' financial burden in order that Lindsey could have a life-saving bone marrow transplant, which I am happy to report, was a great success.

The Steele family is continuing on with their crusade by helping other families fight the tragic disease of leukemia. Anyone wishing to contribute in the future to the Friends of the Lindsey Steele Foundation can do so by contacting Liz and Nick Steele at 508-758-9425. The next fundraiser will be a cocktail party on Saturday, April 13 from 6:30-10:00 to be held at the Century House in Acushnet featuring an open bar, hors d'oeuvres and a very special guest, Lindsey's donor. Donation is \$25.00 per person.

Come and continue your support for a great cause.

With gratitude,
Charlie McGowan

Regional School District Andrew Santos submitted a letter to Wesley Bowman of the Mattapoisett Highway Department. the Old Rochester Regional Advisory Committee asked for an updated cost for paving the District's driveway and parking lots. In the letter Mr. Santos said with Mr. Bowman's help the district was able to devise a scope of services that would have saved the towns money and insured the District of a first class construction project. The project has been deferred for the time being.

•Joseph Costa, Executive Director of the Buzzards Bay Project, informed the Board that the town of Mattapoisett has been selected to receive planning assistance toward the preparation of an Open Space and Recreation Plan from the Buzzards Bay Project.

At 7:30 pm the Board met with Janet Collins to grant her an ice cream slip for her location on the Town Wharf. She asked Selectman if they would allow her to remain Wednesdays through Saturday evenings instead of removing her facility each night. Chairman Lambalot noted the town originally wanted to prevent any permanent fixtures on the Town Wharf. They will discuss the matter further when the full Board is present.

At 7:40 pm the Board met with Joseph Garda and the Building Inspector to discuss the placement of a trailer on property located at Harbor Beach on Shore Drive. Mr. Garda informed Selectmen he inherited this property, and wanted to know what could be done about the by-law prohibiting someone from living in a trailer for no longer than two weeks during a year, except in cases of emergencies. He wanted to know if anything could be done. He said he would like to possibly rent out the trailer during summer months for a profit.

Chairman Lambalot said the intention of the by-law was to prohibit trailers on parcels of land year round. "We don't have any latitude that will allow you (to do this)," said Chairman Lambalot. Mr. Garda said he didn't see the difference if someone stayed there if his

trailer was allowed on the property. Selectmen informed him that the Town Meeting voted on this by-law and there was nothing in their power they could do to change the by-law.

Selectmen also received a letter from Mr. Steve Kelleher, who recently attended a meeting about the Tri-Town Bike Path. In the letter he suggested Mattapoisett form a bike trail committee so that SRPPD can certify that this is an alternative transportation system. This would allow funding sought by the Towns of Fairhaven, and Marion with Mattapoisett being the final link. Mr. Kelleher also wrote that it may be advantageous for Mattapoisett to consider a 10' wide bike path and a 6' shoulder on only one side to allow for equestrian use. Selectmen decided to bring this matter up at next week's meeting.

At 8:00 pm Selectmen met with Steve Cushing, Chief Technician for Continental Cablevision to discuss the status of the cable upgrade. He informed the Board he expects to start stringing new cable by May 1, 1996. He said they were currently starting Phase II of the project by replacing coaxial cable with the installation of fiber optic lines.

There being no further business for the Board to discuss, the meeting was adjourned at 8:45 pm.

Marion Selectmen's Meeting

April 9, 1996

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, April 9 at 7:00 pm by Chairman Albert E. Winters. Also present were Selectman Loretta B. Schaefer, Selectman Jonathan "Jody" Dickerson, and Secretary Helene Craver.

Chairman Winters noted that Town Clerk Debra Blanchette received a call from the state attorney general's office last Friday afternoon, informing her that the results of the March 28 Special Town Meeting would be disallowed since the Planning Board did not allow a full fourteen days between the Public Hearing and the Town Meeting vote. The two warrant articles — Article S1 and Article S2, both of which proposed to establish new zoning by-laws — would therefore not take effect.

"We were told that there were only thirteen days between the first public hearing and the Town Meeting vote," Chairman Winters said. "The requirement is fourteen days. There are also two pending

Planning Board member Jay Crowley said they'll have to go back to the drawing board now and resubmit the articles for approval. However, after the "overwhelming public support" they received at the recent Special Town Meeting, she didn't expect to encounter any further impediments.

After approving the minutes of the April 2 meeting and signing the treasury warrant for the week, the board reviewed incoming correspondence, beginning with a letter from Mark Deshaies of Town Counsels Perry, Hicks, Crotty and Mitchell, informing the board they had received the third and final payment of \$11,000 from Cross Neck Associates, which releases the mortgage discharge executed by the Board of Selectmen. The group made a water arrangement with the

Board of Selectmen for \$33,000 in three equal payments. This concludes Cross Neck's obligations to the Town of Marion.

The Buzzards Bay Project (BBP) next submitted notification to the board that the Town of Marion has received a \$8,000 grant to purchase a Geographic Information System computer (hardware and software) and draw up coastal resource maps. Chairman Winters said this will allow the town's environmental resources to be tracked in a much more efficient way. The board was appreciative of the grant award.

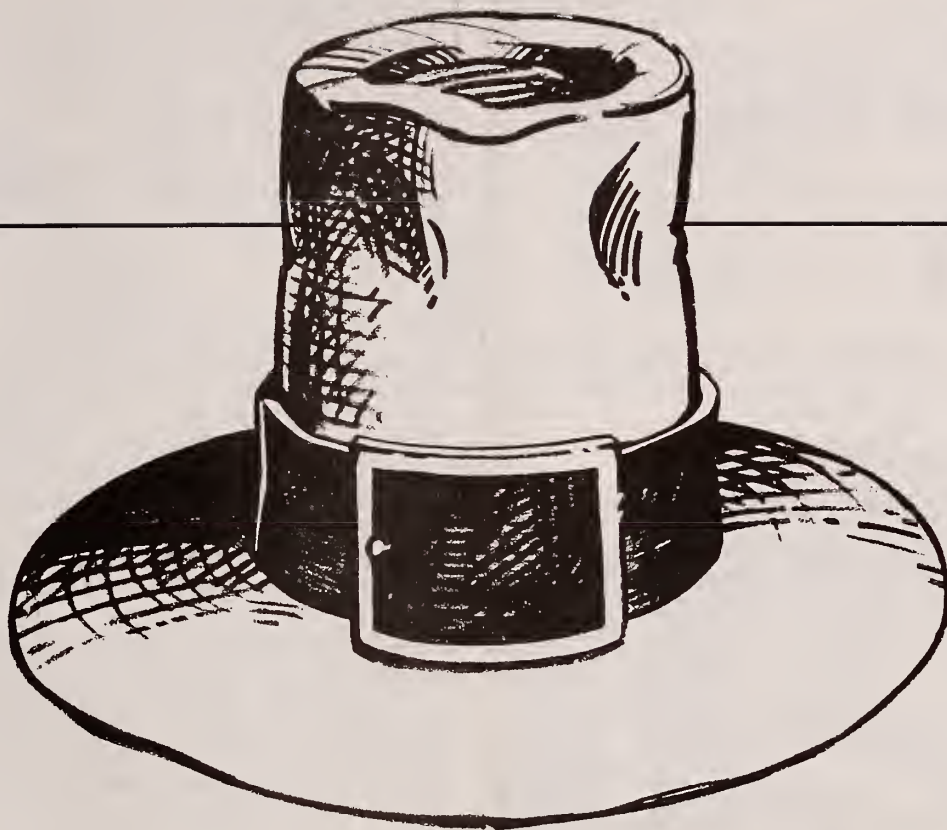

The board received a request from the Children's Depot for a special parking permit for a school bus at Silvershell Beach during two field trips in July and August. The trips will be sponsored for 30 to 40 children and will be supervised by the Children's Depot staff. Selectman Dickerson said he had no objections, as long as the trips were scheduled later in the month when the beach is less busy. Selectman Schaefer moved to approve the request with that stipulation, which was unanimously passed by the board.

John L. Collins, of the law firm Hamel, Waxler, Allen and Collins, wrote to the board on behalf of the TACCA, requesting permission to install a dumping station for recreational vehicles on Oakdale Avenue. "There are two or three members of the Association who own mobile homes and would welcome the convenience of an on-site dumping station," Mr. Collins wrote. Chairman Winters said he didn't see any problems, as long as the matter was cleared with the Department of Public Works. With that, the board approved the request, pending clearance from the DPW.

The Benjamin D. Cushing Post 2425 VFW next sent notification to the board that they have established committees for the upcoming Memorial Day and Fourth of July parades and celebrations. Following are the members of the Memorial Day Committee: Richard Ziemba (chairman), Belmiro Barros Jr., Manuel Barboza Jr., Franklin Gibbs, Jere Hill, Rodney Hunt, Warren Washburn, Gardner McWilliams, Ernest Halunen. Following are the members of the Fourth of July Committee: Warren Washburn (chairman), Rodney Hunt, Belmiro Barros Jr., Harry Brown Jr., Franklin Gibbs, Jere Hill, Ernest Halunen, Manuel Barboza Jr.

The state Division of Marine Fisheries sent notification that a portion of the Weweantic River in both Marion and Wareham has been closed to shellfishing, effective April 1 through December 14, 1996. The restricted area runs "north of a line drawn easterly from the orange panel at the stone jetty at the northern end of #53 Dexter Road in Marion to the orange panel at the end of Marks Cove Road in Wareham, southwest of the cove into which Beaver Dam Creek empties, south of the Route 6 Bridge from the western end of the bridge, north of a line approximately in the middle of the bridge, north of a line drawn

At 7:10 pm the board held a pole hearing upon a request from Com/Electric to relocate one utility pole on Delano Road. There being no objections raised, the board unanimously approved the request.

At 7:15 pm the board held a pole hearing upon a request from New England Telephone to replace a mid-span telephone pole. However, a resident present said she inventoried the poles listed on the request, and she was unable to locate the existing poles and where the relocated pole was to be placed. As such, Chairman Winters said he would like to take the request under advisement pending further clarification from New England Telephone before proceeding.

Under the weekly DPW report, Chairman Winters noted that the Spring Flushing Program is continuing, and residents in areas which are being flushed may detect a slight odor or taste of chlorine, which is normal to the flushing process. In addition, DPW Superintendent Robert Zora informed the board he has ordered three old-style street lamps to be installed in the village area of town. The lamps cost \$1460 each.

Selectman Schaefer reported that the Music Hall Restoration Committee has selected an architectural firm to draw up the renovations for the Music Hall. The firm of Wise, Serma and Jones from New Bedford have been recommended, and was also unanimously approved by the Board of Selectmen. "The firm has worked on many historic buildings, especially in downtown New Bedford," Ms. Schaefer said.

Ms. Craver advised residents that the 1995 Marion Town Reports have been completed and are available for pick up at the Town House during regular business hours.

At 7:30 pm the board met with the Planning Board and members of the Growth Management Committee to go over the latter's

recent report and recommendations. Chairman Winters said he wanted to get everything out on the table and determine who is responsible for carrying out the action for each recommendation.

"I think we need to break this (report) down into smaller pieces which we can get our arms around," Chairman Winters said. "Basically what we need to figure out is where do we start and how do we get things going?"

The two boards reviewed each of the fourteen key recommendations made in the Growth Management Committee's "Planning Recommendation Status Report," and assigned each tenant to either the Planning Board, the Board of Selectmen, or a combination of the two. After an hour of deliberation, the boards agreed to meet again on May 21 at 7:30 pm to tackle the remaining recommendations.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:25 pm.

IT NEVER HURTS TO ASK

If you are being transferred, many companies will help you sell your house. Some will even assist you in buying one in a new location. Big companies often buy a house at its current appraised value if you can't sell it yourself within a specified period of time. If the company eventually resells it for more than you paid, it should agree to give you the extra, after deducting expenses. If this is not standard, it doesn't hurt to ask.

Another approach is for the company to guarantee the home's appraised value and reimburse you if you have to sell it for less. That

way it doesn't have to get into the real estate business.

It also pays to ask the company for a low-interest or no-interest loan to cover the down payment on a new house if you have to move before the old house is sold. Companies will generally not buy condos or cooperative apartments - but again, everything depends upon the circumstances. Again -- it never hurts to ask.

Call BRUCE today with any of your Real Estate questions or needs, we're here to help!! 758-6738.

Rochester Selectmen's Meeting

April 8, 1996

By Justin Hahn

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, April 8, at 7:00 pm by Chairman Michael Murphy. Selectman David L. Hughes and clerk Veronica Lafreniere were also present.

Selectmen began the meeting by approving the minutes of their April 1 meeting. With no corrections, Selectmen unanimously approved them and moved on to a brief meeting with Norene Hartley.

Mrs. Hartley reported on the progress of the Open Space Committee. Her primary focus was the Committee's attempt to get land owned by the New Bedford Water Works opened for passive recreational use. She stated that New Bedford Water Works had opposed the idea, but invited them to a meeting. She also stated that she would appreciate it if Selectmen would arrange a meeting with the other Boards involved, and discuss the matter. She also presented a draft of the Open Space Committee's report, and stated that she would like the Selectmen's opinion by May 1.

After concluding the meeting with Mrs. Hartley on a note of appreciation, Selectmen moved into Correspondence. This week Selectmen received:

- The Herring Inspector's Schedule for 1996.

It stated various prices for different types of fish, and set the fishing day to Saturdays only. It also set a

• A letter from the Buzzard's Bay Project, regarding the awarding of a Grant to the town of Rochester for \$32,500.

• A letter from SRPEDD regarding the Internet, specifically the formation of a web page providing local information, accompanied with a form for Selectmen to fill out.

• A letter from Fire Chief Ashworth regarding his recent marriage to a fire department member. He stated that State Ethics Regulations said he "must seek the approval of the Board of Selectmen to reappoint her as a member of the Rochester Fire Department."

• A letter from Shirley Ferreira, regarding Selectmen's request for the statement she gave at the March 4 meeting. Ms. Ferreira denied their request to send them the statement, and concluded her letter by stating "I trust you clearly understand my position on this matter. Any further requests will be directed to my legal counsel."

• A letter from Paul Gonneville, originally addressed to the *New Bedford Standard Times*, which stated his opinion that they had made a farce of the re-appointment of Chief Denham. Chief Denham objected to the reading of the letter, citing the fact that it was not addressed to Selectmen, and that it made some potentially libelous statement. Selectmen moved to have Town Counsel review the letter, and then read the letter next week, pursuant to Town Counsel's approval. Selectmen approved it unanimously.

Architects. Selectmen unanimously approved the motion.

Under Old Business, Selectmen decided that they would not enroll in the MIIA Employee Assistance Plan as they felt it would not significantly aid any of the town employees.

Under New Business, Selectman David Hughes proposed in the form of a motion that a letter be sent to Kopelman and Paige as well as the town's insurance carrier regarding the legality of installing red lights in the town Highway vehicles for Fire Department use. He stated that many highway department employees are Fire Department members, and often respond when on the job. Selectmen unanimously approved the motion.

Chairman Murphy read a letter from Shirley Ferreira wishing him well in the upcoming election. She stated that it was "pleasant to work for him".

Selectmen unanimously approved a motion to meet with the Financial Committee and then adjourn for the night.

ORR High School

• The ORR Boys Track Team has already participated in two meets in this fledgling spring season, according to coach **Darren D'Andrade** this week. The team was involved in a double duel on Monday, April 1 against Tabor-Nauset, which was a way of breaking the runners in and assessing the team. "We didn't really score that meet," Mr. D'Andrade said. "We just wanted to determine our strengths and weaknesses."

On April 4 the Bulldog Track Team faced Wareham High School, over whom they claimed victory, 73 to 65. "It was pretty close, but we had a good start," he said. "I'm glad we were able to establish a starting point and we can build from

there."

Mr. D'Andrade said this year's group is comprised mainly of underclassmen, but he expects another impressive season to follow up their 10 and 0 perfect record last year. "We won the league meet (last year) ... we placed third in the class meet ... and in indoors we placed second in the class meet," he said. He has similar high hopes for the eleven meets slated for this season.

"We're running with ten juniors and seniors this year ... that means we have 30-plus freshmen and sophomores ... that's a very young team," he said.

Among the key players in the 1996 ORR Boys Track Season: in Sprints — freshman Bob O'Connor, sophomore Jon Garro, and junior Aaron Rose. In Distance — senior Chris McCarthy, junior David West, and freshman Rory Apperson. In Middle Distance — senior James Fogg, junior Mike Costa, and freshman Anthony Bucchere. In the High Jumps — sophomore Graham Correia, sophomore Adam Lawrence, junior Matt Cutler, freshman Adam Cawell, and sophomore Tim McGraw.

In Throws — junior Josh Bender (who was the state best last year with 56 and 7), junior Scott Sylvester, senior Nate Corwin, junior Paul Andrews, junior Jeff Kilpatrick, senior Jimmy Manning, and junior Bob Knight. In Hurdles — sophomore Rick Charest, junior Matt Cutler, and senior Eric Cottrill.

Lastly, in Relays coach D'Andrade explained that with so many sprinters, the team doesn't use their starting sprinters, but some outstanding additional runners include: Matt Costa, Pat O'Shaughnessy, Josh Drew, and John Alexander. The Bulldogs' next planned meet at press time, weather-permitting, was going to be Tuesday or Wednesday (April 9 or 10) against Fairhaven High School, according to coach D'Andrade.

• According to baseball coach **Jack Eddy**, the ORR Bulldogs won their first season game against Cardinal Spellman last Thursday (April 4) with a final score of 14 to 4. Coach Eddy attributed the win to a great first-time effort for the team, led by pitchers **Brian Bourgeault**, who pitched first three innings, and was relieved by **Justin Stark** who went the next three, and followed by **Chris Perry** who pitched the final inning. Stark was the winning pitcher.

The Bulldogs also benefited from strong hitters like **Brandon Laboa**, who had 2 hits and 4 RBI's, **Brian Bourgeault** and **Kevin Gamache**, both of whom had 3 hits apiece, and **Justin Ziobro**, who scored 2 hits.

"We hit the ball very well for the first game ... with nineteen hits altogether," Coach Eddy said this week. "Our pitching was pretty good, we only walked three, which is good for the first game. Our pitchers only gave up six hits ... and they combined for a total of four strikeouts."

Coach Eddy said he expects a promising season from his new pitching crew, all of whom pitched last year for varsity on a limited basis, with **Justin Stark** being the most experienced.

At press time, the Bulldogs were slated to

Animal Advice

Jay Gould, DVM

Feline Leukemia and Feline AIDS viruses.

I have recently acquired a cat. Should she be tested for Feline Leukemia and Feline AIDS?

Definitely if she will be going outside or if you have another cat. If she will be staying indoors as the only cat in the house then it is less critical.

How are these viral diseases spread?

Feline Leukemia and Feline AIDS are spread by close contact between cats. Bite wounds are one of the most common causes of transmission. Leukemia can also be spread by eating from the same food dish.

Are vaccines available for Leukemia and AIDS?

Feline leukemia viral infection can usually be prevented by vaccination. Unfortunately, there is not yet a vaccine for feline AIDS.

Senior Babe Ruth Baseball

• Spring has finally arrived (despite the snow on the ground) ... and the boys and girls of summer will soon be back on the field. As such, baseball players ages 16 to 18 are invited to sign up for the **Senior Babe Ruth Teams** on Saturday, April 13 for the summer 1996 season. All prospective players must live in **Marion, Mattapoisett, Rochester or Wareham.**

Sign-ups will be held from 10:00 am to 12:00 noon at Chadwick's Awards, behind the Wareham Country Market on Route 6 in Wareham. If you have any further questions, please contact Brendan at 758-2275.

Letters to the Editor

To the Voters of Mattapoisett:

To say we live in interesting and dynamic times, I believe, would be an understatement. Congratulations to our new Selectman, Michelle Bernier, for providing her dynamics to the 1996 Election and now to her new responsibilities.

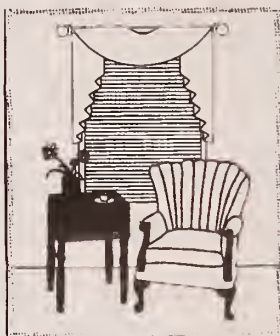

Thanks to all the Townspeople for their continued love and concern for a great town. A special thanks to all my supporters.

Affectionately,
Jim Huntoon

SEASON OPENER...!!

Could it be SPRING already???

April 11th marks the beginning of our new season, eighteen years strong. The Inn will be open seven days a week, featuring new menu options and entertainment. We look forward to seeing some of our summer residents, boaters, and friends who have missed our "wonderful" winter!

April 11th will kick off the season with ISLAND NIGHT, with Chris Richards, in all his "splendor." Don't miss this much anticipated event! Complimentary nachos.

April 24th marks SECRETARY'S DAY. Order your Cookie Bouquets for your special girl - \$29.95... a unique gift!

We are planning some "tastings" (beer/cigars/wine), and will keep you informed.

Please keep the Inn in mind for your special parties and catering. We offer a large variety and price range, making entertaining a pleasure.

Looking forward to seeing you!

League Of Women Voters

Deena Whitfield will speak on the effect of
ballot initiatives and referenda on our form of
democracy at a public meeting hosted by the
Marion, Mattapoisett, Rochester League of Women
Voters from 7:00 pm until 9:00 pm on Wednesday,
April 17, at Handy's Tavern, 152 Front Street,
Marion.

Ms. Whitfield is a member of the state board
of the Massachusetts League of Women Voters and
head of the League's Program and Action
Committee. This position makes her acutely aware
of the many trends in the legislative field. She will
cover the growing importance of initiative petitions
and referenda since 1917 and will discuss what is in
store for the future of "direct democracy" and the
influence of money in government.

Mattapoisett Assessors' Office

The Mattapoisett Board of Assessors is working on the Fiscal Year 1997 Revaluation. Recently we have been inspecting properties and will be conducting site inspections for the next several months. Our fieldwork consists of taking pictures of sales properties, interior inspections at businesses, and reviewing a name tag from the Assessors Office. Also, for confirmation, the Mattapoisett Police Department has descriptions of vehicles used for this project.

Adoptable Animals

Animal Umbrella is happy to announce to our readers that our tiger mother and daughter combination were adopted this week. Other adoptable animals include: a long hair 3-year-old black and white male who is very sweet; a short hair black and white female who is also 3-years-old; a 6-year-old all white male; a 6-8 month old tiger and white female; an 11 month old calico; a 10 month old gray and white female; and an orange tiger male

about 1 or 2-years old.

We will be on vacation from April 15-22 and when we resume there will be many adoptable kittens at this time. We will also need volunteers to help with the kittens and foster homes for them while awaiting adoption. If you can help in either category, please call us.

In the Lost and Found department, a brown tiger mother and her five kittens were found on Oakdale Street in Mattapoissett. A young adult tiger and white female was also found on Park Street in Mattapoissett.

If interested in any of these animals, please call one of the local Animal Umbrella representatives (unless otherwise noted):

students are coming to the United States for firsthand experience with American culture and to practice speaking English.

Classes and Field trips are being arranged for them and students will be busy from 9:00 am until 5:00 pm weekdays. What will be expected of a host family? Basically, you need to be interested in learning about another culture and sharing others. You need to be willing to accept a foreign student into your family routine activities, and provide warmth and friendship. Anyone interested in becoming a Host Family for this exchange program

Hours: Mon.-Sat. 8am-5pm**

Dear Friends,

We are moving April 1 to our beautiful new center at 40 Sconticut Neck Road in Fairhaven. Our hearts are filled with joy at the prospect; in fact, we're going to call our program "PROJECT JOY".

If you know someone who needs some assistance during the day or health care monitoring by our full-time Registered Nurse, call us at our new telephone number, 990-0607. We will be tending our indoor garden, strength training, going to art classes or maybe shopping at the nearby stores. We will arrange a visit for your loved one and explain more about our program.

Sincerely,

and audio cassettes and toys). Bring your used books and other items to the library to be used in our annual Friends Book Sale. Clean out your attic or just clean off a shelf. All items should be in good condition and free of water damage or mildew. All proceeds from the Friends Book Sale go to providing programs, new books and other services for the library. April marks the 20th year the library has been at its current location. The building was donated by Dorothy Plumb in memory of her husband, Joseph H. Plumb, and was dedicated in 1976. April 14th -20th is also National Library Week. The library invites all those who haven't visited in a while to join us in celebrating these events. Rochester residents are urged to come in and get a new library card or update an old one. Patrons with overdue library books may return them during National Library week and Pay NO FINES! All overdue books will be accepted with no questions asked, no matter how long they have been out. Overdue material may be left in the book deposit bins at the rear of the library or at the Town Hall during the week of April 14th-20th, or brought to the library in person.

The library has a large selection of informational material for people age 55 and older.

Zeiterion Theatre

Remember the day the music teacher pulled out odd-looking instruments and delighted in confounding the class? Exactly what were marimbas, dumbeks, teponaxtles, timpani, odaikoes, and vibraphones? Well, you don't have to bone up on a music introduction class to find out. On Saturday, April 27 at 8:00 pm the Zeiterion's own ensemble-in-residence, the Paramount Brass, plays host to the Ethos Percussion Group for the Baker Books'-sponsored Brass Spring Concert. You get two great groups for the price of one! The Brass has been entertaining Zeiterion patrons for almost two years now. Movie Review A nostalgic but highly unoriginal *Sgt. Bilko*

By Rob Gonsalves

• *Sgt. Bilko*. Starring Steve Martin, Dan Aykroyd, and Phil Hartman. Directed by Jonathan Lynn. Running time: 92 minutes. MPAA rating: PG. At General Cinema in North Dartmouth (999-3141).

Generation X is growing up, and we're prematurely nostalgic for the Carter-Reagan era. Our taste in retro music shows it (look at the *Schoolhouse Rock* album), and our tastes in movies are catching up. The recent *Executive Decision* took care of our yearning for militaristic pulp, now *Sgt. Bilko* is here to cash in on our nostalgia for *The Jerk* and *Stripes*.

I have a small but nagging affection for *Sgt. Bilko*. It's the sort of unambitious comedy I might have enjoyed in junior high school, on cable TV. Yet it doesn't have two original ideas to rub together, and most of it is ramshackle and lame. As usual, director Jonathan Lynn (*My Cousin Vinny*) just points the camera at his cast, hoping they'll do something funny.

Steve Martin, stepping into the big shoes of Phil Silvers (who originated the role on TV in the '50's), plays Sgt. Bilko as a cross between his *Jerk* and *Dirty Rotten Scoundrel*. It's a welcome break from Martin's recent heartfelt sincerity. He has at least one vintage scene, dining in an elegant restaurant with a soldier in drag (don't ask). In general, Martin seems invigorated, re-animated; he snaps to attention.

If only I could say the same of the movie. The plot is essentially a string of scams and cons leading up to a climax involving a hovering tank. (Large hover crafts seem to be a trend lately — see *Rumble in the Bronx*.) For romance, Lynn and writer Andy Berckman throw in Bilko's long-suffering fiancée (Glenn Headly, doing her best in a thankless role), who's driven to distraction by the guy's inability to commit.

The rest of the cast — ranging from fresh talents Pamela Segall and Darryl Mitchell to old hands Dan Aykroyd and Phil Hartman — are all Bilko's straight men or foils. One actor, Austin Pendleton (who was the stuttering lawyer in *My Cousin Vinny*), starts to make an impression as an idiosyncratic tank technician, but he gets lost in the shuffle.

What's comforting about *Sgt. Bilko* is also what's annoying: We've seen it before, almost frame for frame, in every other service comedy, especially *Stripes*. That movie at least pitted its wise guys (Bill Murray and Harold Ramis) against one of the screen's leading tough guys, Warren Oates. Here, the tough guy is Phil Hartman, who just does "The Anal-Retentive Major." The role needs a true hardcase — say, Harvey Keitel.

Something else haunts me. It seems impossible, but this is actually the first movie pairing of Martin and Aykroyd — the wild and crazy Festrunk brothers! What should be historic ends up flat. Aykroyd could play a clueless authoritarian in his sleep, and that's what he does here.

Probably all *Sgt. Bilko* has going for it, aside from Martin's dexterous touch, is that it brings you back to 1981. This is a movie to put on the shelf next to *Caddyshack* and *Meatballs* — comedies that Gen-Xers think fondly of, but really aren't all that hilarious (watch them again now, years after junior high). The scary thing is that, fifteen years from now, the twentysomethings of 2011 may look back fondly on *Sgt. Bilko*.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Start new projects. Hold your temper. A boss's biased assertion is best trumped with flawless logic—and facts.

Taurus (April 20-May 20). Stop by the employment office. You might find a job that fits you perfectly. Practice your foreign language skills with a native speaker.

Gemini (May 21-June 21). Schedule a fierce competition — it could lead to a love match. Apply for loans and/or jobs. It'll be a good experience.

Cancer (June 22-July 22). Start a tough assignment now and push to get it finished. A gorgeous hunk or babe may want your time. Send out resumes.

Leo (July 23-Aug. 22). Get up early so you can do something significant with your awesome powers before noon. Love and sports are favored.

Virgo (Aug. 23-Sept. 22). Stick close to home, a friend may need you to help. If money's tight, work on a plan to make more now. You don't have to quit your regular job to start a business.

Libra (Sept. 23-Oct. 23). Write papers. Your literary style will be superb. Stay home to finish a tough assignment, even if it means passing up a date.

Scorpio (Oct. 24-Nov. 21). Work hard for the money. Also invest in something that will improve your employability. Find time, even if you have other things on your mind.

Sagittarius (Nov. 22-Dec. 21). You may fall seriously in love, so be careful who you're hanging out with! An athletic type is your best bet.

Aquarius (Jan. 20-Feb. 18). A meeting should go well. You'll have to hustle to get a horrible assignment done. Push forward with a special project you're creating — you're brilliant.

Pisces (Feb. 19-March 20). Ask for a raise. Something you learn could also put money in your pocket. Cut costs as much as possible.

If You're Having a Birthday This Week: Your experience leads to an overseas opportunity this year or a credential or both. Apply what you've learned, aggressively!

Nunes, Jr. and Brandt Island Corporation for a SPECIAL PERMIT under section III.H. of the Mattapoisett Zoning By-Law (Cluster Housing) to develop property in accordance with a preliminary subdivision plan submitted by the applicants. The property that is the subject of this application is a parcel of vacant land on the west side of Brandt Island Road containing approximately 210.5 acres, and is shown as Lot 9 on Assessors Map 13, and Lot 2 on Assessors Map 14. The preliminary plan proposes 147 single family house lots and 9 open space parcels, on lots that will be smaller in area, frontage and yard requirements that is otherwise permitted under the Zoning By-Law. At the hearing, the Board will also accept comments on the preliminary subdivision plan, for which the applicants seek approval pursuant to Massachusetts General Laws chapter 41, section 81S.</p> <p>The plan and the special permit application are on file with the Town Clerk Office at Mattapoisett Town Hall, and may be inspected upon request during regular business hours. Christopher Jaskolka, Clerk 04/05, 04/12</p>	<p>TOWN OF ROCHESTER BOARD OF APPEALS NOTICE OF PUBLIC HEARING Notice is hereby given that the Rochester Board of Appeals will conduct a public hearing on the petition of Daniel Sullivan, 10 Hartley Road, who is seeking a variance from set back requirements for a swimming pool under Section B & C.2 of protective bylaws. Public hearing will be conducted Thursday, April 25, 1996, at 7:30 pm in the Conference Room of the Rochester Town Hall. Property is identified on Assessors maps as Plan 35 Lot 2. Charles Wolf, Chairman 04/12, 04/19</p> <p>TOWN OF ROCHESTER BOARD OF SELECTMEN NOTICE OF PUBLIC HEARING Notice is given that a Public Hearing will be conducted on Tuesday, April 16, 1996, at 7:00 pm in the Town Hall on the following application for an Earth Removal Permit: Great Bear Farms is requesting a permit to allow removal of 100,000 yards of surplus material from bog renovations and existing surplus stockpiles from property on Dexter Lane, Assessors' Plan 6 Lot 49. Board of Selectmen 04/05, 04/12</p> <p>TOWN OF MATTAPOISETT BOARD OF APPEALS NOTICE OF PUBLIC HEARING Notice is hereby given that the Mattapoisett Board of Appeals will hold a Public Hearing on the following petition and application: Application of Robert W. Sorrenti of 11 Otsego Road, Worcester, MA 01609 re property located at 8 Island View Avenue. The applicants are seeking a Special Permit under Section VI.E and VI.B.2 of the Zoning By-Law to add a second floor to an existing dwelling that does not meet the front setback or the area. The property is further described as Lot 44, Plat 14A on the Assessors Map. The hearing will be held in the Town Hall Conference Room on Thursday, April 25, 1996 at 7:00 P.M. #765.</p> <p>Petition of South Shore Community Residences, Inc. by Lawrence Krajewski, Secretary, of 169 Summer Street, Kingston, MA 02364 re property located at 18 Randall Road. The petitioner is seeking a Variance under Section VI.E due to the fact that the bulkhead fails to meet the required sideline setback of 30 feet. The property is further described as Lot 64A, Plat 23 on the Assessors Map. The hearing will be held in the Town Hall Conference Room on Thursday, April 25, 1996 at 7:20 P.M. #766.</p> <p>Complete applications and plans as filed are available for inspection in the Office of the Town Clerk during normal office hours. off the mark

by Mark Parisi

faculty part-time as a visiting lecturer at first, Cobert worked to build both a music department and a center for cultural activity in the region. In addition, he was a catalyst for arts events in the area, spurring the revival of the New Bedford Symphony Orchestra. He has been guest artist with many other symphony orchestras since. For the Centennial Concert, he will play Mozart's "Piano Concerto No. 20 in D minor" (K.466). The program will begin with "Overture to Oberon" by Carl Maria von Weber and then proceed with concerto "Morning, Noon and Night in Vienna" by Franz von Suppe and "Die Fledermaus Overture" by Johann Strauss will follow.

Although the concert is free, tickets are required and may be obtained at the University Box Office at 999-8598.

Marion Resident Named Associate Director

Joseph Carver of Marion has joined the staff at the University of Massachusetts Dartmouth as associate director of admissions. Carver comes to UMass from the Arthur D. Little Management Education Institute, where he served as Associate Dean of Enrollment and Marketing. In his new position at UMass Dartmouth Carver will be responsible for project management and office organization within the admissions department. He will also be responsible for admissions-related publications.

Carver brings several years of experience in higher education to UMass Dartmouth. Most recently, he worked for several years at Babson College, where he was director of alumni and annual giving programs and dean of admissions. He has also served as director of admissions at Wells College in Aurora, New York, acting registrar and associate director of admission at Philadelphia College of Art, and assistant director of admissions at Dickinson College in Carlisle, Pennsylvania. He received his A.B. in Economics from Dickinson College and has pursued graduate studies at Temple University. Carver also participated in the Institute for Educational Management at Harvard University.

Coastline Elderly Services, Inc.

Coastline Elderly Services, Inc. recently

received a small grant from Ben & Jerry's Foundation to provide workshops for elderly women who are victims of domestic violence. This grant will allow the agency to provide a number of workshops that will provide a network of coordinated, accessible services for older women who are victims of partner and or caregiver abuse. These empowerment workshops will be conducted by Coastline's Licensed Protective Services Supervisor Alan Silvia, with co-facilitators from the Domestic Violence Prevention Program. Elder abuse is growing. Experts estimate that as many as 1.5 million elderly Americans may be abused yearly. In the last decade in Massachusetts, elder abuse has tripled. Older women suffer physical, sexual, emotional and financial abuse at the hands of spouses, partners, their family, and others. The frail elder may be more isolated than a younger woman due to lack of transportation and/or health problems. She may also feel uncomfortable going to a battered women's shelter. And fearing nursing home placement, the frail elder is hesitant to leave her abuser. For more information, please contact the Protective Services Unit at Coastline, 999-6400, extension 38.

ORR

Art Department

With the cooperation and help of many local businesses, the art department at ORRHS has held 11 fantastic fashion shows. Because they have been such a success for all those involved, we will be having our 12th Annual Show this year on Saturday, April 6 at 7:00 pm in the high school auditorium. Tickets may be purchased in advance at the high school or at the door the evening of the fashion show.

In preparation for the show, approximately 55 art students are designing and creating the fashions they will model themselves. All other art students will be involved in set design and construction, publicity and programming. The purpose of this creative experience is to raise money for the art classes to take field trips in the Spring to New York City and Italy and Spain.
